

## **20<sup>th</sup> Bi-Annual National Scleroderma Conference – Abstract Submission**

Friday September 16<sup>th</sup> and Saturday September 17<sup>th</sup>, 2022  
Niagara Falls, ON

<https://www.sclerodermaconference.ca/>

**Deadline:** June 17<sup>th</sup>, 2022 – 12:00 PM EDT

### **Abstract submission:**

Abstracts for patient-oriented poster presentations are currently being accepted. Submissions will be reviewed by a committee of patients, health care professionals and researchers. Among accepted posters, 3 submissions by trainees (students, fellows, residents) will be selected for 10-minute plenary presentations. Abstracts can address any topic in scleroderma research. Topics should be relevant for patients, and abstracts should be oriented to a patient audience.

### **Instructions:**

Submissions must not exceed 400 words and must include the following sub-sections:

- Background and Objective
- Methods
- Results
- Interpretation

No figures, tables or references may be submitted. To submit your abstract, click on the following link: [https://spinsclero.qualtrics.com/jfe/form/SV\\_c04RcJiAJMMdexo](https://spinsclero.qualtrics.com/jfe/form/SV_c04RcJiAJMMdexo)

Please note that only the corresponding author will receive an email concerning the abstract submitted and will be responsible for informing all co-authors on the status of the abstract. Once the review committee has evaluated all submissions, the corresponding author will be informed of their decision and will receive all necessary information by email.

If you experience any technical issues when submitting your abstract, please email [spingeneral@gmail.com](mailto:spingeneral@gmail.com).
